

**Tabulations of Oak Island Documents Assembled by Les MacPhie  
and Available for Public Distribution (October, 2016)**

**Table A: PowerPoint Presentations**

Ref. No (Note 1)	Title	Context, Location and Date	No of Slides
A01	Review of Geotechnical and Archaeological Conditions at the Money Pit (1967 – 2005), Oak Island, Nova Scotia	Presentation by Les MacPhie to Explore Oak Island Days at Western Shore, N. S. August 13, 2005	64
A02	Review of Explorations, Archaeological Findings and Original Workings at Smith's Cove, Oak Island, Nova Scotia, Part 1: Review of Searchers' Work at Smith's Cove (Note 2)	Presentation by Les MacPhie to Explore Oak Island Days at Western Shore, N. S. August 12, 2006	73 Part 1
A03	Review of Findings at Hole 10X, Oak Island, Nova Scotia	Presentation by Les MacPhie to Explore Oak Island Days at Western Shore, N. S., August 11, 2007	114
A04	Debunking the Debunkers	Presentation by D'Arcy O'Connor to Explore Oak Island Days at Western Shore, N. S., August 11, 2007	51
A05	Review of Geotechnical and Archaeological Investigations at the Money Pit, Oak Island , Nova Scotia	Presentation by Les MacPhie to The Canadian Geotechnical Society, Western Quebec Section, Montreal Group, Jan 23, 2008	115
A06	The Technical Challenges of Exploration and Excavation at the Money Pit, Oak Island , Nova Scotia	Presentation by Les MacPhie to Independent Activities Period 2008, Massachusetts Institute of Technology, Cambridge, MA, Jan 28, 2008	90
A07	History of the Oak Island, NS, Treasure Hunt	Presentation by D'Arcy O'Connor to Independent Activities Period 2008, Massachusetts Institute of Technology, Cambridge, MA, Jan 28, 2008	49
A08	Review of Geophysical Investigations, Oak Island, Nova Scotia	Presentation by Les MacPhie to Explore Oak Island Days at Western Shore, N. S., July 22, 2008	98
A09	The Oak island Mystery, Nova Scotia	Presentation by Les MacPhie to the Ottawa Geotechnical Group May 18, 2011	128
A10	The Oak island Mystery, Nova Scotia	Presentation by Les MacPhie to Canadian Geotechnical Society, Toronto Group, May 22, 2013	130

1. Presentations A01, A02, A03, A05, A06, A08, A09 and A10 are by Les MacPhie and presentations A04 and A07 are by D'Arcy O'Connor. In the eight presentations by Les MacPhie, there is significant repetition of certain topics. The files are available in ppt and pdf format.
2. Part 2 of presentation 02 (Engineering Analysis of Original Work at Smith's Cove) was given by John Wonnacott.

**Table B: Documents Compiled by Les MacPhie**

Ref No (Note 1)	Title and Compilation Date	Context and Range of Dates for the Documents	No of Pages
B01 (Note 2)	Early Oak Island Documents Part 1 – Early Newspaper Articles Part 2 – Letters and Other Documents Part 3 – Blair Affidavit and Exhibits Compiled May 2014	Purpose was to consolidate available early documentation in one file. Part 1 – Aug 8, 1857 to Jan 17, 1867 Part 2 – 1867 to 1929 Part 3 - 1926	130
B02 (Note 2)	Hamilton Correspondence re Oak Island Compiled March 21, 2015	Correspondence 1938 to 1950	8
B03	Periodic Reports by Dan Blankenship on Oak Island Activities 1965 to 1994 Revision 1 Compiled May 2014	The reports cover the period from 1965 to 1994	193
B04	Stelco Report on Nail and Washer and Other Documents, South Shore Shaft, Oak Island, Nova Scotia Compiled February 2007	This document includes Dan Blankenship's records of South Shore shaft excavation and related testing, 1970	9
B05 (Note 2)	Dan Henskee Documents – 1997 and 2008 to 2009 Compiled October 2014	Dan Henskee gives commentary and opinions on 10X and other issues in 1997 and from 2008 to 2009	77
B06	Reports by Martin Pickford for Triton Alliance and Related Correspondence – 1970 and 1971, Oak island, Nova Scotia Compiled October 2014	Martin Pickford was retained by Triton Alliance as a part time observer and reporter of Oak Island activities in 1970 and 1971	36
B07	D'Arcy O'Connor Interview Notes and Correspondence Received re Oak Island – 1976/77 Compiled July 2000	The notes are interview transcripts of various Oak Island personalities and the correspondence is response to questions by D'Arcy, 1976 to 1977	182
B08	Correspondence and Data Regarding Study by Mark Schmalz on Bacon- Shakespeare Ciphers and Surface Features at Oak Island Compiled April 2003	Mark Schmalz of University of Florida (Computer and Information Sciences Department) provided interpretation of images and considerable commentary on Baconian theories, 1992 to 1994	156
B09	Summary of Documents and Results for Carbon Dating at Oak Island Compiled July 2006	This document includes a summary and supporting documents for carbon dating results from 1969 to 1995	58
B10	Documents on Testing of Artifacts, Oak Island, Nova Scotia Compiled May 8, 2005	This document includes a summary and supporting documents for artifact testing from 1969 to 1977	38
B11 (Note 2)	Documents Related to Franklin Delano Roosevelt, 1909 to 1976, Oak Island, Nova Scotia, Compiled Nov 2014	Correspondence regarding FDR interest in Oak Island, 1909 to 1976	47
B12 (Note 2)	Documents by Oak Island Discoveries, Mugar/Glazer Holdings, Inc. and Mugar Enterprises, 1995 to 1996, Oak Island, Nova Scotia, Compiled Nov 2014	This document includes correspondence re participation of the Mugar Group (sponsor of Woods Hole Report) from 1995 to 1996	23

1. All files are in pdf format.
2. These files include documents available from Les MacPhie's files. Other important documents are expected to exist. The files without notation are reasonably complete.

**Table C: Stand Alone Documents**

Ref No (Note 1)	Source, Title and Date of Document	Comments	No of Pages
C01	John Whitney Lewis notes, no title, notes made in 1957	Summary of selected works with particular reference to Chappell (1897 and 1931), Hedden and Hamilton	48
C02	Warnock Hersey Report titled <i>Soils Investigation, Oak Island Nova Scotia</i> , July 31, 1969 with follow up data	This report was commissioned by Carr and Donald and Associates on behalf of The Oak Island Exploration	91
C03	Golder Associates Draft Report titled <i>Triton Alliance Limited, Subsurface Investigation, The Oak Island Exploration, Oak island, Nova Scotia</i> , April 1971	This investigation explored archaeological and geotechnical conditions in the area of the Money Pit and Hole 10X	135
C04	M. R. Chappell Manuscript titled <i>The True Story of Oak Island</i> , submitted 1973	The manuscript covers the time period up to 1965	89
C05	D. J. Hansen article titled <i>"Shake-spear's" Tomb</i> , 1973	D. J. Hanson is identified as Director of The De Vere Foundation, California	30
C06	Woods Hole Oceanographic Institution Draft Report titled <i>Oak Island Hydrogeology, Hydrography and Nearshore Morphology, July – August 1995 Field Observations</i> , April 8, 1996	This report was commissioned by the Mugar Group (Oak Island Discoveries, Mugar/Glazer Holdings, Inc. and Mugar Enterprises), Boston, MA	157
C07	D. J. Hansen article titled <i>The Mystery of Oak Island, a State Paper</i> , May 15, 1997	D. J. Hanson is identified as Director of The De Vere Foundation, California	72
C08	Bedford Institute of Oceanography Report titled <i>An Interpretation of Multibeam Bathymetry off Eastern Oak Island, Mahone Bay, Nova Scotia</i> , Issued April 1998	This is Geologic Survey of Canada Open File 3610, the project was not commissioned directly by Triton Alliance	8
C09	Report by John Wonnacott titled <i>Oak Island, Nova Scotia, Field Report – Smith's Cove Investigation</i> , January 2004	This project involved recovery of specimens from the U shaped log structure in the tidal zone at Smith's Cove	20
C10	Technical Report by Les MacPhie titled <i>The Money Pit, Oak Island, Nova Scotia, Summary of Geotechnical and Archaeological Conditions and the 1967 Becker Drilling Results</i> , January 2008	This comprehensive report includes borehole plans and stratigraphic sections in the area of the Money Pit and Hole 10X	72
